

BFS Personal Document Locator

Please keep in a secure location.

This Personal Document Locator is simply a detailed list of where you store your important records and papers and who your primary advisors and contacts are. This list will assist your loved ones in the event of your death or disability. Keep this list at home along with your other important documents, and make sure a trusted family member knows where it is, or provide a copy to the family member, your executor, and/or your attorney.

Remember to update your Personal Document Locator at least once a year to ensure its accuracy.
